

SWIMMING PERMISSION

Dear Parents and Caregivers

At Cannonvale State School, swimming is one of the core components of the Health and Physical Education curriculum for students. Living in an environment where water activities are very much a part of our way of life, it is important that students learn to swim and then progress to become competent swimmers with basic knowledge of lifesaving techniques.

It is expected that all students will participate unless there is a medical condition that may preclude this, whether on a temporary or permanent basis.

There is a charge per student for participation in the swimming program to cover costs of employing extra staff and pool maintenance. These charges will be advised at the beginning of each swimming term.

Please complete the permission below to allow your child to participate in the swimming program for the duration of their enrolment at Cannonvale State School. Permission can be withdrawn at any time. Please note that a letter signed by a parent advising of any medical condition will be required should any of your children be unable to participate for any period of time, whether for one lesson or several.

Yours sincerely

Steve Westley
Physical Education Teacher

Nicholas Shirley
Principal
