Q. Should I log out from the Qkr! app for security?

A. Qkr! is provided by Mastercard and is the safe, secure, reliable way to pay for school items. Registration details and card information are not stored on your phone but are saved securely on the Mastercard network.

As a security feature Qkr! automatically logs you out after 10 minutes of inactivity. You will still be able to browse the menus and add items to your cart, but you will be prompted to enter your password to submit payments.

If you wish to actively sign out after each session, you may do so, however, you won't be able to browse the menus again without logging in. An alternative is to change your settings so that you are prompted to enter your password at the 'Submit Payment' step even if you are within the same 10 minute logged in session. This saves you logging out after each session and logging in the next time.

To turn on the 'Always prompt for password on checkout' option:
Open Qkr!, tap 'Settings' and ensure the 'Always prompt for password on checkout' setting is on (green).
