

Cannonvale State School

What is the P&C?

Officially - P&C stands for Parents and Citizens Association.

Unofficially - it is the place to be! We are the legends of the school. A small group of amazing volunteers from our school and community coming together to support and financially aid our kids in every way we can. From fundraising events to policy making, we work together with the school to provide the best education and learning spaces we can for our children.
